Press Release

Duramax[®] International receives “Rep Agency of the Year” Award.

Las Vegas, NV, July 17, 2007: While in Las Vegas for the recent MAATS show, Duramax[®] International received the award for “Representative of the Year” from one of their partner principals, Marincó Electrical Group. This prestigious honor, bestowed on only one of the group’s rep agencies, was presented by Marincó’s Vice President of Sales, John Tinghatella, during their National Sales Meeting. Duramax[®]

International was recognized for their outstanding efforts promoting and selling the Marincó product lines of ANCOR[®] and BEP[®] in the territories of the Caribbean, Central and South America and Mexico. Duramax[®] International is headed up by marine sales veteran, Jose Ovies. “It was an honor to be presented with this award since we were selected from such a large group of professional marine representatives,” said Ovies. “This award is evidence of how we as a manufacturer can harness our knowledge and provide international sales and marketing expertise to assist other manufacturing principals in their quest to become dominant players in the international marine marketplace” said Richard Spangler, president of Duramax Marine[®] LLC.

Duramax[®] International, a division of Duramax Marine LLC, is a global sales and marketing organization representing high-quality manufacturers engaged in the recreational, commercial and military marine markets with a strategic emphasis in the markets of Latin America, The Caribbean, Pacific Rim and Australia. Visit their website for more information at www.duramaxinternational.com.

Besides ANCOR[®] and BEP[®], Marincó Electrical Group is comprised of several other well known marine companies including: AFI, Guest[®], Nicro and Park Power[®]. These recreational brands of Marincó offer safe, reliable solutions for nearly every electrical and harsh environment application on your boat, RV, jet ski, snowmobile, or ATV. www.marincó.com.
